Therefore, in addition to the prohibition against assignment under *Attachment 2 Contract Terms, Exhibit A - Standard Provisions, paragraph 4*, it is the policy of the State to withhold consent from proposed assignments, subcontracts, or novations when such transfer of responsibility would operate to decrease the State's likelihood of receiving performance under this Agreement. No performance of this Agreement or any portion thereof may be assigned or subcontracted by the Contractor without the express written consent of the State, and any attempt by the Contractor to assign or subcontract any performance of this Agreement without the express written consent of the State shall be void and shall constitute a breach of this Agreement.
