1.0 GENERAL INFORMATION

1.1 Background

The Judicial Council of California (JCC), chaired by the Chief Justice of California, is the chief policy making agency of the California judicial system. The California Constitution directs the Council to improve the administration of justice by surveying judicial business, recommending improvements to the courts, and making recommendations annually to the Governor and the Legislature. The Council also adopts rules for court administration, practice, and procedure, and performs other functions prescribed by law. The Administrative Office of the Courts (AOC) is the staff agency for the Council and assists both the Council and its chair in performing their duties.

The Human Resources Division of the AOC is tasked with seeking comprehensive risk management services. Due to recently enacted legislation, the AOC is examining comprehensive risk management needs for the Judicial Council and the Administrative Office of the Courts, including the six appellate districts and the fifty-eight superior courts. This will be the continuation of an effort to consolidate all of the risk management programs into one single comprehensive program.

2.0 PURPOSE OF THIS RFP

The AOC seeks to identify and retain a qualified contract service provider of an Insurance Broker with expertise in insurance brokerage and risk management services to assist in the further development and implementation of a comprehensive risk management program, including a self-insured workers' compensation program.

The Human Resources Division is seeking a broker with demonstrated public entity experience and program implementation and development skills. The broker will not only have previous expertise in providing insurance brokerage services, but will also have the organizational capabilities to produce a cost-effective solution integrating the highest standards of quality and service levels to the entire judicial branch.

This is a conceptual proposal for services. This is not to be considered a request to solicit or obtain insurance quotations. Do not approach insurers or markets on the AOC's behalf at this time. This RFP is the means for prospective service providers to submit their qualifications to the AOC and request selection as a service provider.

3.0 SCOPE OF SERVICES

- 3.1. The Insurance Brokerage service provider will provide the services set forth below for a period of up to three years, consisting of an initial term of one-year beginning July 1, 2004 and ending June 30, 2005 ("Initial Term"), and, at the sole discretion of the AOC, two consecutive, additional one-year periods commencing

July 1st and ending June 30th for fiscal years 2005–2006, and 2006–2007 (collectively “Option Terms”).

- 3.2. The Insurance Brokerage service provider will be asked to:
 - 3.2.1 Analyze current and past workers’ compensation data and perform actuarial studies;
 - 3.2.2 Analyze current and past workers’ compensation data and provide loss control recommendations and an implementation plan for those recommendations;
 - 3.2.3 Provide marketing services to obtain cost efficient excess coverage;

The State of California Executive Branch requires contract participation goals of a minimum of three percent (3%) for disabled veteran business enterprises (DVBEs). The AOC, as a policy, follows the intent of the Executive Branch program. Therefore, your response should demonstrate DVBE compliance; otherwise, if it is impossible for your company to comply, please explain why, and demonstrate written evidence of a "good faith effort" to achieve participation. Your company must complete the DVBE Compliance form and include the form with your Cost Proposal. If your company has any questions regarding the form, you should contact the Contracting Officer, Charles Turner, at 415-865-7845. For further information regarding DVBE resources, please contact the Office of Small Business and DVBE Certification, at 916-375-4940 or access DVBE information on the Executive Branch's Internet web site at: <http://www.dgs.ca.gov/default.htm>.

13.0 CONFIDENTIAL OR PROPRIETARY INFORMATION

The Administrative Office of the Courts policy is to follow the intent of the California Public Records Act (PRA). If a vendor's proposal contains material noted or marked as confidential and/or proprietary that, in the AOC's sole opinion, meets the disclosure exemption requirements of the PRA, then that information will not be disclosed pursuant to a request for public documents. If the AOC does not consider such material to be exempt from disclosure under the PRA, the material will be made available to the public, regardless of the notation or markings. If a vendor is unsure if its confidential and/or proprietary material meets the disclosure exemption requirements of the PRA, then it should not include such information in its proposal.

For full coverage, each insurance policy shall be written on an "occurrence" form; excepting that insurance for professional liability, when required, may be acceptable on a "claims made" form. If coverage is approved and purchased on a "claims made" basis, the Contractor warrants continuation of coverage, either through policy renewals or the purchase of an extended discovery period, if such extended coverage is available, for not less than three (3) years from the date of completion of the Work which is the subject of this Agreement.

**JUDICIAL COUNCIL OF CALIFORNIA
ADMINISTRATIVE OFFICE OF THE COURTS**

ADMINISTRATIVE RULES GOVERNING REQUESTS FOR PROPOSALS

A. General

1. This solicitation document, the evaluation of proposals, and the award of any contract shall conform with current competitive bidding procedures as they relate to the procurement of goods and services. A vendor's proposal is an irrevocable offer for 30 days following the deadline for its submission.
2. In addition to explaining the Administrative Office of the Courts' (AOC's) requirements, the solicitation document includes instructions which prescribe the format and content of proposals.

B. Errors in the solicitation document

1. If a vendor submitting a proposal discovers any ambiguity, conflict, discrepancy, omission, or other error in this solicitation document, the vendor shall immediately provide the AOC with written notice of the problem and request that the solicitation document be clarified or modified. Without disclosing the source of the request, the AOC may modify the solicitation document prior to the date fixed for submission of proposals by issuing an addendum to all vendors to whom the solicitation document was sent.
2. If prior to the date fixed for submission of proposals a vendor submitting a proposal knows of or should have known of an error in the solicitation document but fails to notify the AOC of the error, the vendor shall bid at its own risk, and if the vendor is awarded the contract, it shall not be entitled to additional compensation or time by reason of the error or its later correction.

C. Questions regarding the solicitation document

1. If a vendor's question relates to a proprietary aspect of its proposal and the question would expose proprietary information if disclosed to competitors, the vendor may submit the question in writing, conspicuously marking it as "CONFIDENTIAL." With the question, the vendor must submit a statement explaining why the question is sensitive. If the AOC concurs that the disclosure of the question or answer would expose proprietary information, the question will be answered, and both the question and answer will be kept in confidence. If the AOC does not concur regarding the proprietary nature of the question, the question will not be answered in this manner and the vendor will be notified.

Attachment B
Administrative Rules Governing Requests for Proposals

2. If a vendor submitting a proposal believes that one or more of the solicitation document's requirements is onerous or unfair, or that it unnecessarily precludes less costly or alternative solutions, the vendor may submit a written request that the solicitation document be changed. The request must set forth the recommended change and vendor's reasons for proposing the change. Any such request must be submitted to Andy Hauer at the AOC by the proposal due date and time listed on the cover letter of this RFP.

D. Addenda

1. The AOC may modify the solicitation document prior to the date fixed for submission of proposals by faxing an addendum to the vendors to whom the solicitation document was sent. If any vendor determines that an addendum unnecessarily restricts its ability to bid, it must notify Andy Hauer at the AOC no later than one day following the receipt of the addendum.

E. Withdrawal and resubmission/modification of proposals

1. A vendor may withdraw its proposal at any time prior to the deadline for submitting proposals by notifying the AOC in writing of its withdrawal. The notice must be signed by the vendor. The vendor may thereafter submit a new or modified proposal, provided that it is received at the AOC no later than the proposal due date and time listed on the cover letter of this RFP. Modifications offered in any other manner, oral or written, will not be considered. Proposals cannot be changed or withdrawn after the proposal due date and time listed on the cover letter of this RFP.

F. Evaluation process

1. An evaluation team will review in detail all proposals that are received to determine the extent to which they comply with solicitation document requirements.
2. If a proposal fails to meet a material solicitation document requirement, the proposal may be rejected. A deviation is material to the extent that a response is not in substantial accord with solicitation document requirements. Material deviations cannot be waived. Immaterial deviations may cause a bid to be rejected.
3. Proposals that contain false or misleading statements may be rejected if in the AOC's opinion the information was intended to mislead the state regarding a requirement of the solicitation document.

Attachment B
Administrative Rules Governing Requests for Proposals

4. Cost sheets will be checked only if a proposal is determined to be otherwise qualified. All figures entered on the cost sheets must be clearly legible.
5. During the evaluation process, the AOC may require a vendor's representative to answer questions with regard to the vendor's proposal. Failure of a vendor to demonstrate that the claims made in its proposal are in fact true may be sufficient cause for deeming a proposal nonresponsive.

G. Rejection of bids

1. The AOC may reject any or all proposals and may or may not waive an immaterial deviation or defect in a bid. The AOC's waiver of an immaterial deviation or defect shall in no way modify the solicitation document or excuse a vendor from full compliance with solicitation document specifications. The AOC reserves the right to accept or reject any or all of the items in the proposal, to award the contract in whole or in part and/or negotiate any or all items with individual vendors if it is deemed in the AOC's best interest. Moreover, the AOC reserves the right to make no selection if proposals are deemed to be outside the fiscal constraint or against the best interest of the State of California.

H. Award of contract

1. Award of contract, if made, will be in accordance with the solicitation document to a responsible vendor submitting a proposal compliant with all the requirements of the solicitation document and any addenda thereto, except for such immaterial defects as may be waived by the AOC.
2. The AOC reserves the right to determine the suitability of proposals for contracts on the basis of a proposal's meeting administrative requirements, technical requirements, its assessment of the quality of service and performance of items proposed, and cost.

I. Decision

1. Questions regarding the AOC's award of any business on the basis of proposals submitted in response to this solicitation document, or on any related matter, should be addressed to Charles Turner, Contracting Officer.

J. Execution of contracts

1. The AOC will make a reasonable effort to execute any contract based on this solicitation document within 30 days of selecting a proposal that best meets its requirements. However, exceptions taken by a vendor may delay execution of a contract

Attachment B
Administrative Rules Governing Requests for Proposals

2. A vendor submitting a proposal must be prepared to use a standard state contract form rather than its own contract form.

K. Protest procedure

1. The AOC intends to be completely open and fair to all vendors in selecting the best possible system within budgetary and other constraints described in the solicitation document. In applying evaluation criteria and making the selection, members of the evaluation team will exercise their best judgment.
2. A vendor submitting a proposal may protest the award if it meets all the following conditions:
 - a. the vendor has submitted a proposal which it believes to be responsive to the solicitation document;
 - b. the vendor believes that its proposal meets the AOC's administrative requirements and technical requirements, proposes items of proven quality and performance, and offers a competitive cost to the State of California; and
 - c. the vendor believes that the AOC has incorrectly selected another vendor submitting a proposal for an award.
3. A vendor submitting a proposal who is qualified to protest should contact the Contract Officer at the AOC at the address given below or call him/her at the phone number listed below.

Charles Turner
Contracting Officer
Administrative Office of the Courts
455 Golden Gate Avenue, 7th Floor
San Francisco, CA 94102-3660

4. If the Contract Officer is unable to resolve the protest to the vendor's satisfaction, the vendor should file a written protest within five working days of the contract award notification. The written protest must state the facts surrounding the issue and the reasons the vendor believes the award to be invalid. The protest must be sent by certified or registered mail or delivered personally to:

Grant Walker
Business Services Manager
Administrative Office of the Courts
455 Golden Gate Avenue, 7th Floor
San Francisco, CA 94102-3660

Attachment B
Administrative Rules Governing Requests for Proposals

A receipt should be requested for hand-delivered material.

L. News releases

1. News releases pertaining to the award of a contract may not be made without prior written approval of the Business Services Manager of the AOC.

M. Disposition of materials

1. All materials submitted in response to this solicitation document will become the property of the State of California and will be returned only at the AOC's option and at the expense of the vendor submitting the proposal. One copy of a submitted proposal will be retained for official files and become a public record. Any material that a vendor considers as confidential but does not meet the disclosure exemption requirements of the California Public Records Act should not be included in the vendor's proposal as it may be made available to the public.

N. Payment

1. Payment terms will be specified in any agreement that may ensue as a result of this solicitation document.
2. **THE STATE DOES NOT MAKE ANY ADVANCE PAYMENT FOR SERVICES.** Payment is normally made based upon completion of tasks as provide in the agreement between the AOC and the selected vendor. The AOC may withhold ten percent of each invoice until receipt and acceptance of the final product. The amount of the withhold may depend upon the length of the project and the payment schedule provide in the agreement between the AOC and the selected vendor.
